

Private Medical Options

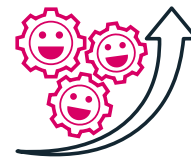

Affordable and modular healthcare ...with integrated absence management

Help employees manage their **health** through to **diagnosis**

- A quick path to reassurance and action.
- Rapid access to diagnostics and specialist consultants.
- Easy access to mental health and physiotherapy.

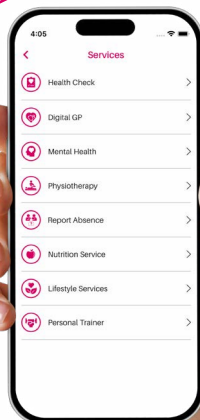

Improve **whole of workforce** engagement and productivity

- Driving everyday engagement with integrated proactive wellbeing and lifestyle modules.
- Lifestyle coaches and personal trainers to drive sustainable behavioural changes.
- Wellness expertise available covering multiple facets including physical, emotional, social and financial.

Affordable price delivering great value through reduction in absence and enhanced productivity and morale

- Five price points to suit every budget.
- Integrated absence management service to support employees and managers.
- An intuitive and consistent user journey allowing easy access to multiple services.
- Provided by the largest digital healthcare provider in the UK with 10 million paid end users.

Bring all your health & wellbeing services into **one place, from one great provider!**

All our services start with our app – no exclusions, no moratoria, just a caring and effective service from day one. Your people can select from a wide range of multidisciplinary services.

The largest provider of digital health services, used by 40% of the FTSE 100

Clinical Excellence is in our DNA

- Square Health is owned and led by Doctors.
- Rated 4.7/5.0 by customers.
- We are a clinical, not financial, service.
- We are governed by the Care Quality Commission (CQC) who also govern the NHS. Rated "Good" (Outstanding for patient safety).

- ONE** Provider **NO** GDPR barriers
- ONE** App **NO** waits between referrals
- ONE** Data set **NO** repeating yourself
